EQUITY & JUSTICE
IN CLEAN TRANSPORTATION
A Framework for Equity and Justice

- Address past harm - equity & justice, not equality
- Those closest to the pain, are closest to the solution - effort must be community-driven and advance participatory governance
- Interconnected problems, interconnected solutions – create multiple benefits
- Representative, equitable government
- Adapt, learn, iterate
CHARGE AHEAD
CA INITIATIVE

• SB 1275 (De León)
CLEAN CARS 4 ALL

- Scrap and replace program
AFFORDABLE HOUSING MOBILITY HUB

• Electric carsharing + other mobility options
ELECTRIC RURAL RIDESHARE

- Green Raiteros
